Dear Food Safety Mitras,

In order to address the complexities in filling out licensing applications for Nutraceutical Products, Training Division, FSSAI is pleased to announce that a Free of Cost online training session on "Procedures to fill FSSAI license applications for Nutraceutical products" has been scheduled on 27/04/2023 for Food Safety Mitras from 3:00 PM to 5:00 PM. The training will be conducted in a virtual mode, making it easily accessible to interested participants from all locations.

To enroll for the training, interested Food Safety Mitras can submit their applications through the following google link (<https://forms.gle/hML6kMCsHRsn6rgR8>). Please note that only the first 150 applications will be admitted for the training. It is also important to note that attending this training will not result in the provision of any certificate.

The training session will last a maximum of 2 hours, and we hope that it will provide valuable insights into the process of filling up licensing applications for Nutraceutical products. We look forward to your participation.

Best regards,
Training Division,
FSSAI
